Teachers reserve the right to ask for additional supplies at the beginning of the school year. If they need something in addition to what has been listed, they will inform you in August.

### Parents:

Please check periodically with your student to see that he or she has each of the supplies listed above. It is very important that your student has his or her supplies to be prepared for class, so please replace any supplies should they lose them or run out of them during the entire school year.

Thanks!
